

STATEMENT OF SUBSTANCE OF INTERVIEW

Please review and enter the following remarks summarizing the interview conducted on December 28, 2007, and subsequent follow-up discussions held on January 2, 4, 7 and 8, 2008.

During the interview, Applicant's undersigned representative and the Examiner discussed the current rejections. Specifically, the Applicant's undersigned representative and the Examiner agreed that an amendment to the independent claims to further define how the controller/master device adjusts the frequency of communication would be sufficient to overcome the current rejection. Accordingly, Applicant amends the claims as set forth herein to be consistent with the above-noted agreement.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.
